PRESS COMMUNIQUE.

Notification Camp Mysore, dated 24th October 1939.

VICTORIA RUPEES.

Representations have been made to Government at the Representative Assembly, Dasara Session, 1939, to the effect that misapprehension exists in regard to the acceptability of Victoria Rupees as legal tender, in spite of previous announcements explaining the position in this behalf. In a notification, dated 7th October 1938, the Comptroller to Government, published for general information a *communique* that was issued by the Controller of Currency on 15th July 1937, which is reproduced below :—

"In accordance with a recent decision, Victoria Rupees are not ordinarily reissued from treasuries or from Banks which transact Government business, and these rupee are thus being gradually replaced by coins of more recent mintage. It is understood that in some districts this decision had led to a belief that Victoria Rupees are no longer legal tender. This belief is entirely erroneous, Victoria Rupees are exchangeable at their full face value and there is no intention of altering the existing position in this respect.—(Sd.) M. VIRARAJA URS,
Offg. *Comptroller.*"

It may be reiterated that these Rupees still continue to be legal tender and are exchangeable at their full face value in any Treasury in the State and will be freely accepted in payment of Government dues by
